

*Milestone Achieved*

CELEBRATING OVER

**1000**

**GAMMA KNIFE  
PATIENTS TREATED**

We are incredibly proud to announce that we have successfully treated over **1,000 patients** using our advanced Gamma Knife technology!

This achievement highlights our dedication to providing top-notch, non-invasive treatment options for our community.

### Why Choose Gamma Knife?

#### Precision

Targeted treatment is delivered with exceptional accuracy

#### Non-Invasive

No surgery, no pain, and quick recovery

#### Proven Results

Effective for brain tumours, vascular malformations, and more

### Key Highlights from Our Internal Survey

**46.8%**

of Metastatic Tumours &  
41% of Benign Tumours  
treated

**80%**

of doctors found it more  
effective than conventional  
radiotherapy machine

**100%**

agreed on  
customization & precision

**100%**

reported fewer  
side effects
